THE 7TH WORLD PSORIASIS
& PSORIATIC ARTHRITIS CONFERENCE 2024

IFPA 2024
SPONSORSHIP OPPORTUNITIES

27-29 June, 2024
Stockholm, Sweden

Welcome!

The IFPA is honored to invite you to the 7th IFPA Conference in Stockholm.

We are delighted to invite you to participate in the IFPA Conference, previously known as the World Psoriasis & Psoriatic Arthritis Conference, which will provide a unique, cross-specialty platform.

Medical and health professionals present frontline clinical research in dermatology, rheumatology and beyond. Delegates come to explore psoriatic disease from different perspectives by networking with patients and industry representatives in attendance.

The IFPA Conference calls for breakthroughs in research that will improve the understanding of all aspects of psoriatic disease and contribute to good health and wellbeing of people living with the disease.

The next conference will be held 27-29 June, 2024 in Stockholm, Sweden.

The theme of this Conference is: Uncovering the broad spectrum of psoriatic disease.

THE 7TH WORLD PSORIASIS
& PSORIATIC ARTHRITIS CONFERENCE 2024

WELCOME LETTER

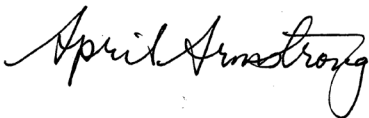

Dear Colleagues,

Every 3 years, we gather to highlight the efforts that our psoriatic disease community has made to improve the lives of patients living with psoriatic disease. As Conference President and Chair of the SEC and on behalf of the organizing committee, I welcome you to the upcoming IFPA Conference with the theme “Uncovering the Broad Spectrum of Psoriatic Disease”.

Together, as a clinical and research community, we strive to advance the care for patients living with psoriatic diseases, which encompasses not only psoriasis and psoriatic arthritis, but also other comorbid conditions that impact our patients’ lives. At the upcoming IFPA conference in Stockholm, we will share our knowledge and have meaningful conversations about these advances. We will share significant achievements in the prevention, diagnosis, and treatment of psoriatic diseases. We will also discuss where we should focus future efforts across the spectrum of basic, translational, and clinical research to bring discoveries and novel therapies. The topics will be clinically relevant, globally collaborative, and patient centric.

I look forward to seeing you at the 7th IFPA Conference in Stockholm.

Sincerely,

April Armstrong, MD, MPH
Professor of Dermatology
Associate Dean for Clinical Research

CONFERENCE

THE 7TH WORLD PSORIASIS
& PSORIATIC ARTHRITIS CONFERENCE 2024

WELCOME FROM THE ORGANIZERS OF IFPA CONFERENCE

Dear Friends,

It is my great honor and pleasure on behalf of the organizing committee, to welcome you to the IFPA Conference to be held in **Stockholm, Sweden from 27 - 29 June 2024**. Since its inception in 2006, the Conference organized by IFPA has been held once every three years and is an amazing opportunity for scientists, researchers, healthcare professionals, educational leaders, patient experts, and advocates from across the globe to come together and dive into the critical issues that face people living with psoriatic disease.

The 7th IFPA Conference 2024 provides a platform for all delegates to exchange ideas, discover new opportunities, and broaden their knowledge and understanding of psoriatic disease and associated comorbidities. Together we will share discoveries with a patient oriented focus.

The theme for the 7th IFPA Conference is **Uncovering the broad spectrum of psoriatic disease**. Along this journey, we invite you to participate in a wide range of multidisciplinary research and the latest breakthroughs addressing the diverse health consequences of this disease.

Furthermore, the IFPA Conference provides a space for industry partners and institutions to present their innovative ideas. Technology has made our lives more connected in the past decade. Emerging solutions in the areas of science, treatment, care, and advocacy continue to improve the lives of people living with psoriatic disease.

I would also like to extend a warm invitation to the community at large to this unique, crossspecialty platform. where medical and health professionals will present frontline clinical research in dermatology, rheumatology, and beyond. We invite all delegates to explore psoriatic disease from different perspectives by networking with patients and industry representatives to ensure a future where all people living with psoriatic disease enjoy good health and well-being, free from stigma and preventable disability and comorbidities.

We warmly welcome you to Stockholm and the 7th IFPA Conference in 2024.

A blue ink handwritten signature of Dr. Hoseah Waweru.

Kind Regards,

Dr. Hoseah Waweru

IFPA President

PRINCIPLES OF THE IFPA CONFERENCE

- Increase global recognition of the complexity of the disease and to develop a broader international perspective of psoriatic disease.
- Encourage collaboration on developing future research and advocacy initiatives.
- Increase awareness by medical professionals and industry about the role of IFPA and its members in assisting the medical advancement in psoriatic disease.

ABOUT IFPA 2024 CONFERENCE

Some key elements of the conference include:

- A two-and-a-half-day conference attended by international delegates and patients within education, science and clinical work as well as researchers and PhD students.
- A high-quality, content-driven agenda.
- Presentations by international, key opinion leaders in the field.
- Interactive, modern and open exhibition area located in front of the plenary room to facilitate networking and interaction between the exhibitors and delegates.
- Time to discuss common challenges and share concrete experiences with peers.

SPONSORSHIP AND EXHIBITION

IFPA will provide sponsors and exhibitors with exposure and access to leading doctors, students, researchers, and other health care professionals working in the area of psoriatic disease. The Conference also provides you with the opportunity to demonstrate your support and commitment to the field.

The exhibition offers an excellent opportunity for the delegates to interact with suppliers in the field and to familiarize themselves with the latest achievements and treatments. We encourage delegates to tap into the expertise provided by the exhibitors, asking questions and receiving hands-on product demonstrations.

The exhibition will be conveniently located just outside of the plenary room, with exclusive access of IFPA 2024 participants. The exhibition area is utilized for serving refreshments and lunch in order to maximize the amount of time delegates spend within the exhibition area and passing by the exhibitors.

We strive to create an interactive and dynamic exhibition area in order to maximize the integration of the exhibitors and focus on the synergies between the industry representatives and the academic delegates.

DIGITAL MARKETING PACKAGE

ENHANCED COMMUNICATIONS

- Are you looking for a compliant way to generate enhanced visibility and attract engagement and participation at the conference?
- Digital advertising and communication spread your message to all registrants and thousands of additional potential delegates and interested parties active in your field.
- Boost awareness and recognition before, during and after the event.
- The cost of managing digital adverts and communications has fallen dramatically.
- Harness the power of digital advertising and communication to broaden your audience engagement.
- Drive a higher market share of attendees to your symposium and/or booth.

INSIGHTS AND METRICS HELP YOUR SALES TEAMS BY PROVIDING

- Reach figures and display frequency.
- Click through and view rates of a targeted audience.
- Breakdown by country for shaping future follow-up and campaign.
- Post-event promotion to reinforce the message.
- Breakdown of reach by target (drive to site, brand awareness, comment).

THIS OPPORTUNITY HELPS YOU BY:

- Reaching 10,000s more people in the medical psoriatic disease field in addition to those attending the congress.
- This means you attract a wider audience to your messaging, research, and findings.
- Ensuring high visibility for both your brand, message, and symposium and/or booth on an ongoing basis before and after the event.
- Driving interest prior to the symposium and/or booth/ exhibition so that it is not forgotten.

HOW DOES DIGITAL MARKETING WORK?

- We will tailor the right mix of advert, social promotion, and email for you and manage it with a leading international agency.
- Digital ads generate high visibility before, during and after the event and attract new participation to make your investment count. Sponsor advert appears while delegate browses the web. Delegate clicks the ad. Delegate then lands on the sponsor page with details of exhibition and Symposia.
- Social adverts are launched off our pages (IFPA) and we can share your creativity to drive to the event website sponsor pages.
- We have a unique database that is highly relevant, and we will be communicating with potential registrants across the world.
